## Hvordan opretter jeg en Organisation?

	<ol style="list-style-type: none"><li>1. Klik på din profil på github</li><li>2. Klik på "Settings"</li></ol>
--	---

		<p>3. På fanen "Access" klik på "Organizations"</p>
		<p>4. Klik på "New organization" til højre</p>
		<p>5. Under feltet "Free" klik på "Create a free organization"</p>

<div> <p>Tell us about your organization</p> <h2>Set up your organization</h2> <p><b>Organization account name *</b></p> <div>Karlsen Inc </div> <p><small>This will be the name of your account on GitHub. Your URL will be: <a href="https://github.com/Karlsen-Inc">https://github.com/Karlsen-Inc</a>, which has been adjusted to comply with our naming rules.</small></p> <p><b>Contact email *</b></p> <div>gllakar5@elev.techcollege.dk </div> <p><b>This organization belongs to: *</b></p> <p><input type="radio"/> <b>My personal account</b> <small>I.e., LarsKarlsen82</small></p> <p><input type="radio"/> <b>A business or institution</b> <small>For example: GitHub, Inc., Example Institute, American Red Cross</small></p> <p><b>Verify your account</b></p> <div></div> </div>	<ol style="list-style-type: none"> <li>Navngiv organisationen</li> <li>Tast kontakt email</li> <li>Afhængig af om der er tale om det er din egen eller en forretning eller institution sæt hak på en af dem</li> </ol>
<div> <p><b>This organization belongs to: *</b></p> <p><input checked="" type="radio"/> <b>My personal account</b> <small>I.e., LarsKarlsen82</small></p> <p><input type="radio"/> <b>A business or institution</b> <small>For example: GitHub, Inc., Example Institute, American Red Cross</small></p> <p><b>Verify your account</b></p> <div> <p>Lav venligst dette puslespil, så vi ved, at du er en rigtig person</p> <div>Godkend</div>  </div> </div>	<ol style="list-style-type: none"> <li>Klik på "Godkend"</li> </ol>

<p>For example: GitHub, Inc., Example Institute, American Red Cross</p> <h2>Verify your account</h2>  <p><input checked="" type="checkbox"/> I hereby accept the <a href="#">Terms of Service</a>. For more information about GitHub practices, see the <a href="#">GitHub Privacy Statement</a>.</p> <p>Next</p>	<p>10. Efter verifikation</p> <p>11. Sæt flueben på "I hereby..." Som du selvfølgelig har læst det igennem! :P</p> <p>12. Klik på "Next"</p>
<p>Start collaborating</p> <h2>Welcome to Karlsen-Inc</h2> <p><b>Add organization members</b></p> <p>Organization members will be able to view repositories, organize into teams, review code, and tag other members using @mentions.</p> <p><a href="#">Learn more about permissions for organizations →</a></p> <p>Search by username, full name or email address</p> <input type="text"/> <p>Complete setup</p> <p><a href="#">Skip this step</a></p>	<p>13. Her kan du tilføje brugere m.m.</p> <p>14. Men det er en test, så klik på "Complete setup"</p>
	<p>15. Så er din organisationsmappe klar</p>

## Hvordan tilmelder jeg folk til en organisation?

		<ol style="list-style-type: none"><li>1. Åbn din organisation på github</li><li>2. Klik på Invite your first member"</li></ol> <p>OBS! Du skal kende de personers github accounts eller email om du vil tilmelde til din organisation og personen skal have github account</p>
		<ol style="list-style-type: none"><li>3. Klik på "Invite member"</li></ol>
		<ol style="list-style-type: none"><li>4. Tast brugernavn eller email</li><li>5. Klik på "Invite"</li></ol>

## Invite karlsenit@gmail.com to Karlsen-Inc

Give them an appropriate role in the organization and add them to some teams to give access to repositories.

### Role in the organization

☒ **Member**

Members can see all other members, and can be granted access to repositories. They can also create new teams and repositories.

☐ **Owner**

Owners have full administrative rights to the organization and have complete access to all repositories and teams.
